**Social Distancing COVID-19:** - COVID release only needs to be completed one time. There are still a few who have not completed it.

**CCRP:** - The weather policy was reviewed. NCHS and Coppermine do not have to follow school closure guidelines. The Board will evaluate the weather and road conditions and make a determination on whether events there will be canceled.

**Use of Fields and Facilities:** - Mike is looking for more time at NCHS and other locations.

-If you cancel a practice please let Mike know as soon as you can.

-When using the schools we can not run past our scheduled times as the custodians have to sanitize all areas used and bathrooms when we leave. They are putting the extra time on their time cards and the Rec Council is getting charged for that. Please make sure that you are leaving the buildings clean. If something happens or if something is damaged please find a custodian before you leave and let them know. Please let Mike or Jen know asap as well.

-HES Issue: We had an issue at HES that resulted in the Hot Shots losing permission to use any of the schools. With the help of Mike and some board members we were able to work with CCPS and get it reinstated before it affected any clinics or practices. Thanks to all who helped.

-Make sure you are using the appropriate equipment when inside.

-If Practicing at NCHS and kids come in to use the facility without a coach you should ask them to leave. It is not open to the public.

-When at Coppermine and using the batting cages you can use the hard balls.

-Mike has requested the use of fields at SGE, Cape Horn, HES, MVHS-We have Panther Park

-There will be trash and recycling cans at HES that Knorr brakes has donated to them. We may use them during tournaments but make sure we empty them.
