Mission Statement

- To instruct and educate players in the skills required to participate at the recreational, travel, high school and college levels of play, while assisting players to improve their skills and knowledge of the game.
- To provide guidance and support, both on and off the field.
- To encourage sportsmanship and develop character, leadership, and a positive attitude.

Recs & Parks. Policies

- All Coaches are required to have a Carroll County Recs & Parks Badge with them at all times while with the players. This badge is provided by the Carroll County Recs & Parks and requires an annual background check to be acquired.
- Carroll County Recs & Parks require all mentors and volunteers to complete the volunteer registration form on their website.

Weather Policies

- When THUNDER OR LIGHTNING happens, ALL ATHLETIC FIELDS must be cleared for 30 MINUTES PER OCCURRENCE.

THUNDER & LIGHTNING: Effectively immediately, once lightning is observed or thunder is heard during outdoor recreation council activities, all athletic fields must be cleared for a period of 30 minutes. If lightning is observed (or thunder heard) again, the 30 minute period of cleared fields starts over. Practice/Games/Scrimmages must be immediately stopped and field is cleared of all persons (Coaches/Parents/Participants). There are to be no children, parents, coaches or others on the field. **Everyone is to seek shelter in their cars or inside the facility. Standing on the field or off to the side is prohibited.** Lightning can still strike at anytime. This being said everyone, must follow these guidelines. This is for all NCRC sponsored outdoor activities.

Recs & Parks. Policies cont...

- SNOW: When schools are closed or close early due to inclement weather, all recreation and parks activities for that day are cancelled. For weekend activities, if the snow emergency plan is in effect after 6 pm Friday or anytime Saturday, all Saturday activities are cancelled. If the snow emergency plan is in effect after 6 pm Saturday or anytime Sunday, all Sunday activities are cancelled. This includes activities that occur at school sites, nature centers, New Windsor Community Room, South Carroll Senior & Community Center and the Robert Moton Center. In cases of extreme bad weather where additional time is necessary to provide safe access to schools or county facilities, it may become necessary to cancel activities until such time that safe access can be provided
- HEAT: Approximately 30 minutes prior to the start of the activity, temperature and heat index reading should be taken at the site or from www.weather.com or a comparable source. The following are recommended guidelines for coaches, program leaders and volunteers to follow with regards to Department sponsored youth activities: Heat Index 80- 89 Use caution; monitor athletes carefully for necessary action.
- Heat Index 90- 104 Use extreme caution; remove helmets and other equipment if not involved in contact.
- Heat Index 105- 129 Alter uniforms by removing items where feasible; practice time should be shortened with low intensity & limited conditioning.

Recs & Parks. Policies cont...

- Heat Index 130 & above NO PRACTICE OR GAMES. ACTIVITIES SHOULD BE RESCHEDULED FOR EARLY/LATE IN DAY OR AN ALTERNATIVE DATE WHEN HEAT INDEX IS LOWER.
- Some discretion is granted to the volunteers in making this decision as programs may be occurring at sites with abundant shade, water & frequent breezes. In all cases, once the heat index rises above 105, programs should allow for frequent cooling breaks, reduced activity levels, appropriate uniform modifications, mandatory water breaks every 30 minutes (10 minutes in duration) and ice down towels to be available to players for cooling.

Zero Tolerance

Hot Shots Policy

- In coordination of the North Carroll Recreation Council the Hot Shots organization expands upon those standards and will not tolerate bullying, discrimination, or harassment of any kind from its coaches, parents, players or spectators. The Board of Directors holds the right to discipline, suspend, or remove any coach, parent, player or spectator to keep the integrity of the program.

NCRC Policy

- Zero Tolerance Policy on Abusive Behavior the purpose of this policy being implemented is to eliminate abuse of NCRC coaches, referees/umpires, or volunteers by adult spectators; both physical and verbal, and to discourage public dissent of same. The purpose is to make clear that verbal abuse or overtly unjustified or unproven negative criticism of NCRC coaches, referees/umpires, or volunteers is as unacceptable as verbal abuse or physical altercation and to adopt basic standard sanctions for improper conduct. Even though public dissent may not be considered abuse it is not in keeping with the principles of a positive participation environment for our youth in teaching good sportsmanship and therefore will not be tolerated.
- This policy is not intended to imply that all NCRC representatives, coaches, referees/umpires, or volunteers are always right and the adult spectator is always wrong. However, we must remember that the focus of the service we bring forward for the community is focused on providing a fun and rewarding experience for our youth participants.

Zero Tolerance (continued)

- There are appropriate avenues for spectators to share concerns about the quality of coaching, officiating, or volunteerism. Each NCRC Program has a Program Coordinator in charge and will hear any constructive comments on coaches, referees/umpires, or volunteers. As well, the NCRC has an Executive Board and Grievance Committee that have the responsibility to objectively hear and consider any constructive criticism.
- The Zero Tolerance Policy on Abuse Behavior highlights the procedures we hope our adult spectators follow. More importantly, abuse or dissent of youth referees will be held to a more severe standard.
- Guidelines for disciplinary action range from a one-week suspension for verbal abuse to expulsion from participation with any NCRC Program for egregious offenses.

The Hot Shots Fastpitch Softball Organization Scholarship

This scholarship is sponsored by the Hot Shots Fastpitch organization. It was started in memory of Makenzee George. Makenzee was a member of the Hot Shots Family for several years. In 2017 she tragically lost her life in a car accident at the young age of 17. If you ask anyone that knew her, they will tell you that softball was her passion.

The Hot Shots awards up to \$1000s in Scholarship money to high school seniors who has played softball for our organization for at least two years.
