

Meeting minutes from Monthly Meeting held virtually via Zoom 4/28/2020

These notes are not a verbatim transcription of the meeting

Attendance record kept by the secretary

An announcement went out today that all high school sports were canceled for the remainder of the school year.

Rec Teams:

Would still like to have some sort of a season for these players but we have to follow parks and recs rules.

Some of the other organizations are still willing to play -some even into July

Our Rec coaches agreed to coach if we are able to get season started

If we are able to get a season going (and with some of the other organizations not playing) we should advertise on Social Media and our site so that other players from surrounding areas could join in.

CML:

CML league is still a go and there are lots of local teams –consider playing games during the week

Tournament Teams:

Revise your schedules

Hot Shots Tournaments:

10U/12U scheduled for weekend of June 13th

12U is a go

At this time there are not enough teams for 10U – A suggestion was made to hold off on canceling the tournament for 10U as USSSA tournaments may fill up quickly and teams may be looking for other tournaments to play in.

14u-18U still a go for Last weekend in May – this may change

Parents/Coaches Meeting:

Mike H. and Drea will go to team practices and hold the meetings during that time.

Website/Facebook:

Player profiles are up and running and look good, lots of compliments

Uniforms for Travel/Tournament Teams:

Due to the shut downs the manufacture is not set to open until 5/15

Players will have to wear what they have that fits. Most players should have at least one shirt that fits and they might have some players wearing short sleeved while others are wearing sleeveless. In regards to pants, they can just wear plain blue pair until the order comes in.

Panther Park:

Dave has the bases.

We need to move the sheds from Shiloh to Panther Park. Volunteers are needed for this.

Mike will see if we need permission from Parks and Rec to go to Shiloh.

Supplies/equipment/sheds:

A John Deer tractor was donated by Jason Wiley however we are not sure if it is in better shape than the existing one that we have. (that apparently needs lots of work as well) It was asked if any of our landscapers would be willing to donate a zero turn.

Holding off on repairs to sheds

CPR:

Frank shared that the expirations are being extended. Possibly until September.

Maybe we will do a training in the fall.

Scholarship:

A reminder was given about dates

Lisa will put it out on Facebook.

There was discussion about other local scholarships.

First Aid Kits:

Please get your needs to Drea ASAP so that we can get items ordered.

(ice packs, band aids, Neosporin, wound cleaner, gloves)

Might be able to get the items donated from a local business

Fundraiser:

The spring raffle will not take place. Mike thinks our budget will be ok.

Possibly sponsor a 50/50 raffle during tournaments

Food Drive:

The Hot Shots held a food drive and we collected enough food to take to a church in Manchester and the Food Pantry in Hampstead. A basket was also delivered to NESAP.
