Coaching: Concerns were brought to the board about Brett Haines. Parents and another coach within the program believe that they have smelled alcohol on his breath at games and practices. We will have board members do spot checks to see if they notice anything and will monitor it.

-Someone reached out via a post on Facebook regarding Mark Wersinger on Leese's team. They shared that he has a criminal record. He is currently cleared through the Rec Council's

background check. His record was pulled up and he was found not guilty of an assault charge in AA county and had a traffic incident in Spring Grove.

Lisa will be asked to thank the person for bringing the information to our attention. Mike is waiting to hear from A. Kiler regarding what we should do.

Rodney shared that he seems like a good guy and has not had any problems with him.

For the Good of the Group: There have been several instances where adults have been seen smoking on school grounds. Pets are not being cleaned up after. Mike will make sure that he shares that smoking and dogs are not permitted on school grounds during tournaments, games and practices. This includes our teams as well as visiting teams.

-It was asked that if we have to have a board meeting or change a meeting that a group text go out as not everyone looks at their emails.
