**Hot Shots Tournaments:** The spring tournament for the younger age groups went well. Thanks to all that helped. If enough teams register, we will try to separate B and C teams. The shirts were easier however next time we would like the registered teams name in advance so that we can have a drop down of names to make sorting shirts easier. Lisa's software is not compatible with Wilson's so we may need to look into getting graphic software or pay Wilson's to generate the design.

14/16/18 team teams play May 21 and 22.

**Background Checks:** - Please make sure you are up to date. They are due every year. Make sure your new staff know to complete this. This needs to be completed for anyone helping with the team. Team moms, bookkeeper etc.
